Summer collection

@marù
adorable and
fair fashion

Peru is not only known for its fine alpaca fibers, but also for its unparalleled cotton quality. amarù, the goddess of wisdom, inspired us to create this collection.

Our organic cotton is produced by small farmers in the Chíncha region, south of Lima. For our first organic cotton collection "amaru" we use the cotton genus "Tanguis".

The employees of the textile studio of Mrs. Lourdes, Lima, sew the individual garments with loving attention to detail.

Amaru stands for joy of living, wearing comfort and sustainability.

amarù at a glance:

- 100% ecological, GOTS certified organic cotton
- Fair production with local added value
- Sustainable
